HANDS

Time is the dying sun
in the late afternoon,
that melts through
our windows
and spills upon the floor.

And we stare in the
landscapes
of our many-lined hands,
wondering of
lost moments,
tracing the words
unspoken.

For somewhere between our
drifting sighs
time has stopped and
caught us,
posed enclosed in a
still-life prism
in the light of a dying sun.

Head Majorette

This year's hard working squad has caused people to stand up and take notice! Besides marching in 5 parades, they performed at all but 2 home ballgames, where many new routines, such as pom-pom, duet twirls and many new twirls were displayed. Work began last summer on routines and money projects for new uniforms. With this year's squad coming back next year (hopefully, right girls?) after a hard year of work, the squad will prove to be a great asset to the school. Hats off to the Vienna High School Majorettes!

The JV turned in the greatest JV record in years in '72-73 with a 17-1 record. The team won their first 12 before falling by only 2 pts. to Metropolis. The team exhibited a fine press, balanced scoring, hustle, and a great desire to win. Many of the players were also invaluable as reserves on the varsity. The varsity should be in good shape with this fine group moving up next year.

The Freshman squad turned out to be a spirited group of young athletes as they finished a fine 13-3 season and won the Carterville Frosh Tourney. The fine coaching of Mr. John Huckelberry seemed to be the edge in many of the games as he got a lot of work from his players. These young men should keep VHS athletics going strong the next three years.

The '72-'73 baseballers turned in a very fine 17-4 season. The team hit its peak at the end of the season when it captured the conference tourney title by beating previously unbeaten Cobden and then taking the District crown by trouncing arch foe Metropolis 11-0. The team was highlighted by Trover's .420 batting average and Bean's .400 average and also by R. D. Hill's 9-2 pitching record. The team featured a tough defense which helped win several games. Only 5 seniors will be leaving the club and a good nucleus remains for next season.

TRIBUTE

Possibly once in a lifetime sports fans are treated to a performance of such majestic proportion that it transcends all precious experiences. It is like a streaking comet, there one instant, gone the next, but forever retained in the mind by those who witnessed it.

Brilliant was the word for the Vienna Eagles in 1972-73 as they engineered a fantastic 24-1 season, including an unbeaten regular season.

To accomplish something like this requires everything to fall perfectly into place. All the breaks must go one way, the loose balls, the tip-ins, the turn-overs, the clutch baskets. The team must maintain a keen edge night after night as the pressures build. It must be good, and it must be lucky. It must be a team of dedication. Coach Wilson gave the team a positive direction and belief in their ability.

The 24 game winning streak, longest in VHS history, started on November 14, 1972, reached its peak February 23, 1973, and finally ended on February 25, 1973.

The Eagle rampage held the entire area in its grip. As the team piled victory upon victory, the tension and excitement mounted. Followers of Southern Illinois basketball were plainly incredulous, as if they were witnessing a miracle in the making. It was a dizzying spiral of success after success. The team rolled to conference, conference tourney, and Shawnee Tourney championships and were at one time rated 5th in the state of Illinois.

This was the '72-73 Eagles - record breakers.

HOMECOMING 1972-73

'THE RISE OF THE EAGLE EMPIRE''

There is one week out of the school year when school spirit runs highest and the togetherness of the students is obvious . . . VHS HOMECOMING. From the poster parties, the building of floats, the bonfire, the skits, and finally to the parade, the excitement mounted for the four lovely senior girls, Lisa Kiefer, Phyllis Fowler, Jan Taylor, and Teri Throgmorton. The theme, "Rise of the Eagle Empire," deemed appropriate as the Anna Wildcats fell to the undefeated Eagles on this December 8th. As the court entered the gym and neared the throne of the retiring queen, Cindy Monroe, the crowd anxiously awaited the crowning of the new queen. Homecoming 1972-73 came to a pleasant end when Cindy placed the crown on Miss Lisa Kiefer. May the spirit of this year's Homecoming and of the new queen that reigns over it not be forgotten.

I will never forget the day they turned the class of 1973 loose into the halls, classes, and the very heart of VHS. It is to this class and its members that I dedicate this year's Illianna. Together, yet individuals, there has never been, nor will there ever be, a class like the CLASS OF '73 . . . keep on truckin'.
